Funding Scenario

Total points awarded were divided into the total funding available to give a dollar value per point.

Oil impacted areas only eligible for up to 15% of the entire amount available.

The money that would be above a requested amount, due to the funding process, was put into a funding area consolidation bonus for those funding areas that combined to form a larger funding area.

Funding areas that joined together this year:

- Cavalier and Walhalla
- Belcourt joined the funding area of Rolla, Towner County and Rock Lake.

Each year, some items are removed as not being essential to reasonable EMS.

Some examples from this year include –

- Funding a community meal
- Pearson Vue test site building
- Extrication equipment
- Large ticket equipment for the backup ambulance (ie only one Powerload Cot system included if additional was for a backup ambulance)
- Also, any disallowed items from the grant guidance are removed.
