

## Nationwide IV Solution/Bag Shortage Video Conference

Hosted by the North Dakota Department of Health  
Wednesday, November 29, 2017  
2:30 p.m. CST

All BTWAN sites will be connected by video conference, so please reserve the room in your facility. Participation by video is encouraged; however, if you cannot attend by video you may view the presentation online.

The live webcast link is <http://www.ndhealth.gov/WebcastHigh.aspx>. You may also participate via phone by dialing in toll-free at 866.888.3374. No PIN is required. You will automatically be muted, and instructions for asking questions will be given when the Q&A portion of the meeting begins.

Dear North Dakota Healthcare Provider:

The North Dakota Department of Health (NDDoH) is offering a free video conference to provide updated information about the nationwide IV solution/bag shortage and the implications for healthcare providers in North Dakota.

Presenters at the conference include personnel from the NDDoH's Emergency Preparedness and Response Section.

Following the presentation by the NDDoH, the audience will have an opportunity to ask questions. This video conference will be scheduled for an hour in length and will be posted on the department's website at its conclusion.

More information about the IV solution/bag shortage is available on the NDDoH website at:
