

North Dakota Child Passenger Safety Virtual Workshop

September 2, 2021 • 9:00 am - 4:30 pm (CST)

9:00 – 9:30 am
North Dakota Child Passenger
Safety Program Updates

Dawn Mayer, North Dakota Department of Health, Child Passenger Safety Program

Learn what is new with the North Dakota Child Passenger Safety Program (CPS). Program activities and resources will be reviewed and shared.

9:30 – 10:30 am
What Drives Specific Car Seat
Use Directives?

Sarah Tilton, Britax Child Safety, Inc.

This session will help you understand what influences car seat manufacturers to give specific directives in car seat use and installation. Some of the unique directives we will look at include rear-facing only carry handle positions, body pillows, inserts and chest clips. The information will help you stress the importance of following the car seat labels and user guides. (1 CPS CEU)

10:30 – 11:30 am
Online Child Passenger
Safety Resources

National Child Passenger Safety Board, Safe Kids Worldwide, National Highway Traffic Safety Administration

Learn more about your online CPS resources from our partners in child passenger safety.

11:30 am – 12:00 pm Lunch

12:00 – 1:45 pm
Child Restraint Manufacturer
Panel

Britax, Diono, Goodbaby, Graco, Nuna, Dorel Juvenile Group

This panel of child restraint manufacturers will inform you about new products/ technologies they offer and more! (2 CPS CEUs)

1:45 – 2:00 pm Break

2:00 – 3:00 pm
How to Use Your Checkup Data

Tracy Whitman, Maryland Department of Health

The National Digital Car Seat Check form allows technicians to document, collect and report car seat check data. Master how to use the dashboard and use the data to your benefit. Learn tips to help you efficiently pull data for reports and evaluation. Better yet...use the results to educate your community on what they are doing correctly!

3:00 – 4:15 pm
Child Passenger Safety
Jeopardy

Sarah Haverstick, Goodbaby International (Evenflo & CYBEX), Safety Advocate

Techs will be challenged with questions about technical information in a question-and-answer session based on the TV show, Jeopardy! Topics covered include crash dynamics, car seat parts, new car seat models, fake and counterfeit products and misuse of car seats. (1 CPS CEU)

4:15 pm Closing/Adjourn
