HOW TO COMPLETE A WRITTEN CERTIFICATION

Patient talks with their health care provider and then starts a patient application via the ND Medical Marijuana registration system.

As part of the patient application, the patient enters the name and email address of the health care provider.

The health care provider receives a notification via email that they are requested to complete a written certification for the patient.

Via the registration system, the health care provider completes the written certification.

The registration system links the written certification to the patient application. The Division of Medical Marijuana reviews the application.

The patient is issued a registry ID card if approved.
