North Dakota School Surveillance

North Dakota School

Surveillance:

-- If your school would be willing to participate in our surveillance, please contact Lindsey VanderBusch at lvanderbusch@nd.gov.

Sentinel Laboratories--Influenza

Sentinel Laboratory

Surveillance

Week 51: Percent positivity for rapid tests are rising. With the increase in influenza activity, please consider influenza as a potential cause of URI in your communities.

RSV activity is increasing.

*These data do not represent all laboratory results for influenza.
