## Congratulations Providers!

\* These rates were calculated using data from the NDHHS for North Dakota residents in the indicated age group during the 2020-2021 influenza season (August 1, 2020 through June 30, 2021).

† Goal of 70% for at least one dose of influenza vaccine administered during the 2019-2020 influenza season for at least one age group.
