**Congratulations Providers!**

\* These rates were calculated using data from the NDIIIS for North Dakota residents in the indicated age group during the 2020-2021 influenza mid-season (August 1, 2020 through December 31, 2020).

† Goal of 70% for at least one dose of influenza vaccine administered during the 2020-2021 influenza mid-season for at least one age group.
