STATE OF NORTH DAKOTA
DEPARTMENT OF HEALTH

STATE HEALTH OFFICER ORDER FOR TESTING FOR 2019-nCoV/COVID-19 AS A
DISEASE CONTROL MEASURES TO PREVENT THE SPREAD OF 2019-nCoV/COVID-19
PURSUANT TO NORTH DAKOTA CENTURY CODE § 23-01-05(12)

SECTION A: SUBJECT PERSONS
ALL PERSONS RESIDING IN THE CENTRAL VALLEY HEALTH UNIT LOCATED IN THE
STATE OF NORTH DAKOTA. THE CENTRAL VALLEY HEALTH UNIT INCLUDES THE
FOLLOWING COUNTIES: LOGAN; AND STUTSMAN

SECTION B: FINDINGS

1. The Director General of the World Health Organization has declared that the 2019-
   nCoV/COVID-19 constitutes a Public Health Emergency of International Concern. The
   Secretary of the U.S. Department of Health and Human Services has declared that 2019-
   nCoV/COVID-19 constitutes a public health emergency.

2. On March 13, 2020, President Donald Trump issued a declaration of national emergency

3. On March 13, 2020, Governor Doug Burgum declared a state of emergency in response to
   the public health crisis resulting from 2019-nCoV/COVID-19; Executive Order 2020-03
   activated the State Emergency Operation Plan (SEOP), implementing appropriate response
   and recovery actions and future mitigation measures.

4. On May 1, 2021, Governor Doug Burgum ended the state of emergency declared in

5. Although the declared state of emergency has ended, transmission of 2019-nCoV/COVID-19
   is still occurring in North Dakota and is expected to continue.

6. Delay in imposing this Order would significantly jeopardize the ability of the Department of
   Health to prevent or limit the transmission of 2019-nCoV/COVID-19, a contagious disease,
to others.

7. Increased transmission poses a substantial threat to the residents who are living in a
   congregate setting and have an increased risk of developing complication related to 2019-
   nCoV/COVID-19, public health, and the health care system.

8. A written order for testing for 2019-nCoV/COVID-19 is a disease control measure and is
   authorized pursuant to N.D.C.C. 23-01-05(12).

9. Written orders issued pursuant to N.D.C.C. 23-01-05(12) shall have the same effect as a
   physician’s standing medical order.

SECTION C: REQUIREMENTS
1. The Abbott BinaxNOW™ diagnostic test is authorized for purposes of screening subject persons, as defined by SECTION A, for 2019-nCoV/COVID-19 at locations with a Clinical Laboratory Improvement Amendment (CLIA) Certificate of Waiver. Pursuant to CLIA rules, persons who perform screenings in accordance with this Order must be appropriately trained to use the Abbott BinaxNOW™ diagnostic test and must use appropriate personal protective equipment when handling samples. Appropriately trained individuals will have completed the BinaxNOW COVID-19 Ag Card and Navica App Setup and Training and any other training required by the North Dakota Department of Health.

2. Any entity testing minors must obtain written parental consent.

3. Data for all each individual tested pursuant to this Order must be reported within twenty-four (24) hours to the North Dakota Department of Health.

SECTION D: EFFECTIVENESS

The requirements of this Order are effective upon execution and until revocation by the State Health Officer.

SECTION E: STATE HEALTH OFFICER EXECUTION

Dated this 30th day of April, 2021.
