

North Dakota Login (NDLogin) Account FAQs

Why should I create a login for TestReg?

Have a chronological view of your COVID-19 test results in a single location. View and print COVID-19 test results for employer or travel purposes at your convenience.

How do I log in to TestReg?

Go to TestReg.nd.gov and click on 'Login' in the top right corner.

What do I need to log in to TestReg?

You will need to create or use an existing NDLogin and associate it with your TestReg registration account. You may already have an NDLogin account associated with another agency such as Parks and Recreations, Game & Fish, Workforce Safety & Insurance (WSI) or Job Service North Dakota (JSND).

What is an NDLogin?

An NDLogin is an account that can be used to access multiple online services provided by North Dakota state government without the need to create a new account for each service. By having a common NDLogin, you will only need to remember one username and password to access numerous state agency online services.

What if I'm not sure if I have an NDLogin?

Go to Testreg.ND.gov and click on 'Login' in the top right corner. A pop-up window will appear that contains a 'Not sure' link. Try any potential email address or phone number that may have been used to register the account. If one of them is tied to an NDLogin, you will receive an email or text containing the NDLogin. Otherwise, you will need to create a new account.
